

Welcome to Otter Pond

(formerly known as the West Wing)

Starting in 2018-2019 we have a team of 3rd and 4th grade teachers who will all be working with all of the Otter Pond students. We are very excited about this new adventure and we look forward to getting to know all of our new crew.

Students will have a set homeroom. However, they will be transitioning between the Otter Pond classrooms in flexible groupings. This means that we can better address the needs of each individual student with more targeted groups. Our goal is to ensure that all students are learning to their greatest potential.

We realize this may seem new, and we certainly have a lot of work ahead of us to get our groups up and running for next fall. We appreciate your kindness and understanding as we get the year rolling. We look forward to working with our new Otter Pond team!

Sincerely,

The Otter Pond Team
