### Homework

Meaningful homework is an integral part of the learning process. The MSAD School board has given guidelines for homework as follows:

Monday – Thursday for 30 minutes per night

In my class I expect homework to be completed independently by the student. Certainly struggles may appear, particularly in math, and parents may choose to assist or write me a note about the struggle.

Students will be expected to write their homework assignments in their agendas. However, I also list homework weekly on my website:

At SLS we promote **ROCK** Star Behavior

**O** = Own My Choices
