

# Mrs. Nielsen's Homeroom

I am assigning a biography project that can be completed using research information on-line. I have attached some fun Mystery Science lessons on Schoology that can also be viewed on-line!

## Maine Biography Project

*This assignment is for both Social Studies and Writing!*

*Maine Biographies - choose 4 famous people from Maine. Complete the biography planning sheet for each person. Then write a paragraph for each person. This may be typed on Google Drive, in Schoology, or written on paper. Your biographies should include all important information, but be written as a detailed paragraph with an opening, details, and closing. You should write in complete sentences with capitals, periods, and correct grammar! - Links have been provided on the Materials page for you to use at home.*
