

"The more that you read, the more things you will know. The more you learn, the more places you'll go." — Dr. Seuss

Mrs. Nielsen's 3rd Grade
Songo Locks Elementary School
 2016 – 2017

June Newsletter

Thank You

I would like to extend thanks to all of the families that have supported this group of students this year. We have traveled a long way in 3rd grade and it has been quite an adventure. I wish you all of the best for your summer vacation.

IMPORTANT: MISSING BOOKS

We are seeking both library and classroom books! Please scour your homes for any books or other materials that belong to Songo Locks. Mrs. Perry has been sending home notices on missing library books. Thank You for returning these books ASAP!!

May and June Calendar

May 29	No School, Memorial Day
June 5	Early Release at noon Breakfast and Lunch WILL be served.
June 8	SLS Field Day (3 rd – 5 th)
June 19	Last Day of School! Early Release at 12:30. Breakfast and Lunch WILL be served.

My New Favorite App

I have been using the **Bedtime Math** app every night with my own 3rd grader and I'm seeing some amazing results in his math understanding. I highly recommend using this each evening, especially during the summer to help combat summer slide! Have them do ALL of the problems (even the easy ones!)

Curriculum Update

The students have been working hard on their Maine Pamphlets. We are nearly ready to unveil our masterpieces! We have also been Comparing and Contrasting in our literature studies. Next week we move to Force and Motion in Science! In math we are breezing through area and perimeter and have data studies on the horizon! We will be working hard right into the last day of school!

School Isn't Over... yet!

Please help your child remember that although the temperature has been increasing, we are still in school! I have noticed a considerable slip in reading logs, behavior and the quality of work. Even throughout the summer we highly recommend daily reading and writing to help avoid the summer slide!
