Thanksgiving Stories

We are currently "publishing" our first 5 paragraph essays about Thanksgiving. The students have worked hard to understand the ideas of paragraphs, openings and closings. These stories are fantastic and I know you will really enjoy reading them next week as you celebrate the holiday!

The 3rd Grade Holiday Concert will be held at Songo Locks on Friday, December 16th at 2:00 pm. We hope you can join us!

MATH SUPPORT

I have sent home the family letters regarding how your child is doing in our Everyday Mathematics program. If you need further ideas or support you can find links on my website (listed above). This includes a link to all of the 3rd Grade EDM family letters. If you would like more resources please let me know and I will be happy to send those home.

Seeking Donations

Classroom Donations:

Please send in a pair of headphones or ear buds that could be used with the laptops.

Community Donations:

Please send in non-perishable food items. These will be donated to a local food bank. We will be working on understanding the importance of community service. This is part of our Social Studies curriculum.
