Homework

The MSAD 61 district policy is that all 3rd graders have approximately 30 minutes of homework per evening Monday – Thursday. As you may have noticed, or as your child may have told you, we try to keep a predictable homework schedule:

Monday , Tuesday & Wednesday evenings:

- Read for 15 or more minutes
- Record on reading logs

*(At times we will send home school-work that was not completed in class. Students **may** count the time they work on class assignments towards their Reading Logs!)*

- Spelling lists are written in agendas on Monday. Students should study these words for tests on Friday.
- Math will be assigned by Mr. Jacques and will include incomplete work as well as games.

Thursday

- Reading Logs due Friday
- Study for Spelling Test on Friday

Anytime the homework requires more than 30 minutes of concentrated effort, please send us a note so that we can go over the homework with your child in class.

WE DO NOT give homework on the weekends! However, we certainly encourage students to read or write on their own at all times!

Technology At Home

Looking for books at your child's reading level? You have access to Raz-Kids at home! This is a FREE reading site with many books at all levels.

Want to see photos of what we are working on in class? Visit my Schoology page. I update this weekly and include photos, information, and copies of our newsletters. To access this, follow the link from sls.lakeregionschools.org and enter your parent access code:
