## Open House

Thank you to the families who attended Open House. It was great to meet all of you!

If you ever have any questions, comments, concerns, or compliments, please do not hesitate to contact me at any time!

(\*Note, the only different is the @ sign!)

## REMIND

PLEASE, PLEASE, PLEASE sign up for the Remind program that I handed out at Open House. This is the 2<sup>nd</sup> page in the bright pink packet I gave you. This is a very easy program that allows me to send a short text to the entire class or one for individual families. You can also text me with quick questions or concerns. This was a HUGE hit in my class last year and I want to get this set up as soon as possible!

Thank You!!

## HOMEWORK FOR THIS WEEK:

Read for 15 minutes each night.

Spelling Unit 2 (due THURSDAY)  
List B; pages 20, 21, and 22  
List C; pages 23, 24, and 25

Oct 21 Mid-Trimester Progress Rpts  
Oct 25 Conferences  
Oct 26 Conferences

### November

Nov 11 No School – Veterans Day  
Nov 23-25 No School

## Dandelion Seeds

Last week we read *The Dandelion Seed* by Joseph Anthony and *A Dandelion's Life* by John Himmelman. We discussed the life cycle, as well as the myths and legends behind wishing on dandelion seeds. The students created dandelion projects that included writing 4 complete sentences. These books serve as an introduction to our first science unit called "The Power of Flowers".
