FAX (207) 693-4000

Welcome to our new school year. I look forward to getting to know each family as we navigate the exciting world of 3rd grade.

Mrs. Nielsen

Communication

I want to know what's on your mind! Let me know by notes, phone calls or e-mails anytime you have a question, concern, suggestion or just a compliment! Typically I will get back to you the same day but certainly within 24 hours.

Agenda & Homework Folders

I will send a folder home every night along with an agenda. Please check for notes, news, corrected items as well as homework. Please go through this with your child each night. Also please place money for the cafeteria and any notes for the busses, specialists or teachers in the folder. I check these myself each day. The students will be responsible for writing their homework in their agenda each day.

Important Dates:

Wednesday, September 14th
Wednesday, September 21st
Friday, October 7th
Monday, October 10th
Wednesday, October 26th

SLS Open House
Early Release
No School – Teacher Workshop Day
No School – Columbus Day
Early Release

EDM COINS

One element in our Everyday Math program is the opportunity to work with real world items. As the year progresses I may ask for certain items for your child to use in class. Please send these coins for use during math (*they WILL be returned to you at the end of the year*)

20 pennies

5 nickels

10 dimes

6 quarters
